*"Keep coming back with all you've got and take it with a grin,
When disappointment trips you up or failure barks your skin;
Keep coming back, and if at last you lose the game of right,
Let those who whipped you know at least they too have had a fight."*

The Faculty and Library Staff of the Department of Secondary Education

At this hour of parting from the home and school of our past decade, the Class of 1956 salutes those wonderful people who have been our teachers, our friends, and our guides. May they live long in Girard with the energy, the good will, and the wisdom which have inspired us to do and to think our best at all times.

Dear Stephen Girard:

In a short while the ninety or so boys in our class will turn their backs for the last time to the age-worn pillars of Founder's Hall. It seems but a short time ago that each one of us looked at that building for the first time. Its towering columns and massive stone blocks were ominous and foreboding. We were dwarfed by its towering height.

Today Founder's Hall means more to us than its designer could possibly imagine. It has a warm and sentimental glow and not the dim shadow we once beheld. Founder's Hall is the symbol of our days at Girard. Those happy hours when we played and worked with our friends or prepared to leave on vacation, and those unhappy times when we longed for home or maybe received a poor report card, lie along its galleries. Among them are the pride in that first soccer goal and that swollen black eye, the mishap of a disagreement with a classmate.

But beyond the huge, brown doors of Founder's Hall there is another monument of deep meaning—a statue of you, Mr. Girard, standing as you were when we entered Girard as little boys. It seemed that you were watching each one of us every day. You reminded us that we were your sons, and we left obligated to make you proud of our heritage.

Now there are new challenges ahead, and we must leave our Alma Mater behind. But as we leave, Mr. Girard, each one of us will take along the spirit and the meaning of the school and home that we knew as your foster sons. But, most of all, we will take with us the image of you standing on that pedestal and the expression on your face that seems to reflect your unforgettable wisdom: "My deeds must be my life; when I am dead my actions must speak for me."

To the Graduates of 1956:

When you receive this book, you will be in the midst of the emotional excitement and the activity of graduation. Not now, perhaps, but later, after "the shouting and the tumult dies," read this letter very carefully and ponder a bit, as we who work with you are now pondering, over the measure of our success in your education. This is our deep concern for the members of your class even as it has been for all the Girardians who have preceded you.

There is no great question over the adequacy of your academic or vocational preparation. The thoroughness of your knowledge in the various academic fields and the soundness of judgements based thereon have been tested so frequently and the skills developed in your vocational courses have been observed so regularly and repeatedly that, in these respects, we are confident you are well qualified to find and fill successfully a satisfactory place in community life. Many of you are well equipped by ability, performance, and motivation to continue in the field of higher education; all of you are prepared vocationally to make a good start in business or industry.

What we ponder over is the degree to which you have become men. Have we helped you enough along the way? In the classroom, in your dormitory life, and throughout all the many activities in which you have been engaged, have we taught successfully and emphasized enough those principles of living and traits of character which make the "good life" possible?

Are you men of integrity? Are you honest, reliable and trustworthy? Are you fair and kind and unselfish? Do you have the courage to do that which you know is right? Do you persevere in your efforts to improve? Do you practice the Golden Rule? Will you be friendly and cooperative? Will you be reverent?

These are among the major questions you will have to face not once but over and over again along the road you travel. However worthy your present intention may be, you cannot give an immediate reply; the answer will be found in your reaction to the innumerable situations, great or small, you will meet in life. The answer is your life. Therefore we ponder sincere, we hope confidently that you will keep unsullied the Girard reputation for building men of character, and we pray that our instruction and influence during these formative years will be of use and help. May God bless you.

Sincerely yours,

Karl R. Friedmann

When we entered Allen Hall to take on one of our many new privileges, we noticed something that we had never before experienced. All through Girard we were used to living and working in groups. However, with the title of "Senior", we had to adopt a sense of responsibility and individuality.

Allen was something altogether different. As we moved through the College, the thought of living in Allen became more and more real. Then, after those patient years, that dream became a reality.

We soon became used to bells ushering us off to the dining room, or chapel, or reminding us that study would soon begin. "Good night, men, scholars, and friends," were little sayings of our housemasters when they checked the rooms at night.

PHONE

RUSH

OF '56

The writer of the song "Forty-five Men in the Telephone Booth" got his inspiration after he saw the Allen Hall phone booth the night before a dance. The phone calls, however, enabled us to get dates for our dances and house parties that were a big success due to the efforts of Dr. Zeil.

On Friday, February 13, 1956 Allen Hall enrolled the first co-ed. The little girl, Ann, was born to Mr. and Mrs. Paul Zdanowicz.

Now, on Commencement Day, everything that we experienced in Allen Hall lives in the cherished past.

THE DRAMATIC CLUB

Our class is one of the few that can claim participation in Dramatic Club plays in their sophomore year. In "The Statue" and "Nicholas Nickleby," Bill Darling and Howard Anton made their debuts on the Girard College stage with major parts.

Four plays were presented in our junior year. The Christmas play, "The Pharmacist's Mate," took Bob Roach in a major role as the pharmacist's mate himself, with Tony Bralczyk and Frank Pearson portraying two of the ship's officers. Although all the major parts of "The Christmas Carol" were handled by the current seniors, Bill Darling, Howard Anton, and Bob Melvin did well in supporting roles.

"O'Halloran's Luck" and "Captain of the Gate" were billed as our spring plays. Bob Roach again excelled here as a very Irish Tim O'Halloran. Richard Chadwick, William Smeader, Gus Pelagatti and Abe Sheitelman performed well as supporting actors. Howard Anton, Bill Darling, and Tony Bralczyk headed the cast of "Captain of the Gate," and were convincing as officers of the Royalist Army fighting against Cromwell.

Bob Melvin, Bob Roach, and Tony Bralczyk as Seniors were elected as president, vice-president, and secretary-treasurer of the club respectively. Immediately after these elections, work was started on the Christmas play, "The Ghost of Benjamin Sweet," which had Bob Roach, Bob Melvin, Frank Pearson, Carl Havira, Abe Sheitelman and Tony Bralczyk in important roles.

It is appropriate that we should mention the "unsung heroes" of the Club, the make-up staff, and the stage hands. Jerome Batalsky did an excellent job as chairman of the make-up staff. His assistants, Don McGhee and Mork Miller, are also to be commended for their expert services and advice. The stage hands, headed by Bob Newlin, merit applause for preparing the scenery as efficiently as they did.

Mr. Henry V. Andrews, Dramatic Club coach, deserves much of the credit for the success of the plays. Without his excellent guidance and training, the plays could not have had such success. The Club was also happy to have been associated with Miss Fern McCracken, who took many of the female character roles.

After much labor and debating over policies and procedures in meetings under the direction of Dr. Haskell, we have this to offer as our finished product. His strictness in making us work on schedule has made this "Corinthian" what it is. Without his rigorous and helpful, appreciated suggestions, we would have failed.

Copy, as it was handed to Dr. Haskell, was sent to the Print Shop. Here, under the direction of Mr. Daffin, the layout, slugs were cast and the presses rolled to complete many months of long work. As you see here, Mr. Daffin, directing very capable Print Shop students has produced the excellent job which he has always done on our publications.

With a late start "The Girardian" organized and elected Richrd Chadwick editor-in-chief. In a succeeding meeting assistant editors Carl Havira and Joe Flanagan were voted into office. Mark Miller and Larry, Carola as art editor and printing advisor respectively completed the staff.

The Print Shop boys helped us with unselfish and unending efforts. Their skills, directed by Mr. Daffin, combined speed with accuracy till the last run came off the press.

Mr. MacGregor, the capable sponsor, tied the loose ends together when any situation arose. He spent many long hours in correcting and editing copy, and in helping the editors.

All worked hard side by side contributing their work to the Magazine; the result was two completed a well filled cover to cover with writings of literary quality and great local interest.

THE GIRARD NEWS

Class of '56 on The News

Second Row: Holzinger, Miller, Havira, Walendziewicz, Sheitelman, Newton, McGhee, Smeader, Zimring

Third Row: Lydic, Fritz, Pelagatti, Batalsky, Ronczka, Wybranski, Lyons, Silavno

Fourth Row: Smyth, Lewis, Bowman, Corridoni, Bertino

This year, as a result of hard work and fine quality, "The Girard News" was accepted by the Columbia Scholastic Press Association, a high honor for any high school newspaper. We wish to congratulate the entire staff and Dr. Haskell on this merited attainment.

Our "News" was headed by Editors H. Frank Pearson, Howard Anton, Eugene Walendziewicz, and Abraham Sheitelman, all of whom kept the publication running smoothly. The "Sportsworld" was always up-to-date with fine detail through the efforts of the Sport Editors Kent Lydic, Carl Havira, and their staff Fred Wood, Joe Morgan, John Smith, E.J. Malamphy, Gus Pelagatti, and Bob Holzinger. Jerry Batalsky wrote the "Personalities" column while Bill Darling and Stanley Wybranski kept us laughing with their "Ho-Hum" column.

John Smyth managed the exchange department so that other schools might enjoy the paper and Jon Newton's "Allenite" as much as we did. Special credit goes to Fred Zimring, Business Manager; Don McGhee, Printing Advisor; Mark Miller, Illustrator; Bill Smeader, Photographer; and Tony Diorio, Distribution Manager. Reporting on everyday facts and occurrences were Larry Carola, Pete Corridoni, Barry Lewis, Mitch Lyons, and Bill Stalford.

The class and "News" Staff deeply appreciate the efforts of Dr. Raymond Haskell, sponsor, and Mr. M. Arnold Daffin, printing instructor, who had a great part in making the paper what it was. Special thanks go to the Alumni who have financed "The News" for several years.

At the end of June, 1955, boy after boy tried his luck in gaining admission to the Glee Club. However, only a few made it. These, under the direction of Dr. Harry C. Banks, Jr., provided the student body with anthems on Sundays and during the Christmas Concert.

Bob Newlin, a member of the Glee Club for two and a half years, presided over the group. Rich Linthicum, with his melodious voice, took on the job as Vice-President. The position of Secretary-Treasurer went to John Smith. Chuck Brown, the tall red-head with a deep voice, served as Librarian.

The combined efforts of Bob Newlin, Dr. Banks, and the rest of the boys have made the Glee Club an outstanding organization in the College.

Lewis, Bruno, Mr. MacGregor, Price, Jones

It is hard to thank Harry Price enough for the many hours he spent working assiduously in the Student Center. For more than half the year Harry had to act as bookkeeper, assistant manager, and manager - a heavy burden for anybody to carry. Despite these handicaps Harry steered the Center to another fine success.

Working at his side were Bob Jones, Barry Lewis, and Ralph Bruno, who had the laborious task of counter heads. All of them devoted many long hours keeping counters filled, workers in line, and customers happy. Martin Pustilnick also did a fine job as advertising manager. They deserve more praise than we can give them.

Under Harry's leadership, plans were made to move the Center from Founder's Hall. This is the first major change proposed in a number of years.

Sincere thanks are also extended to Mr. MacGregor, whose guidance and keen interest were invaluable.

The Battalion was led this year by a competent staff with William Stalford, who worked untiringly to better our military organization as Cadet Major Captain of Recruits; William Boell, Captain Instructor Joseph Flanagan and Quartermaster Ramon Shelesky, backed Major Stalford through a successful year.

Sergeant-Major Richard Houghton gave the order for our snappy Color Guard, assisted by Sergeant Quartermaster Robert Harbison. Marching in front of their respective companies were Commander-Commander Daniel McGhee, William Briggs, Carl Corbin and Gus Pelagatti.

The tension was high on the afternoon of January 13, as the first Competitive drill of the school year was held. Although every company gave a fine exhibition there was a rearrangement of positions. In first came Co. B, followed by Co. D, Co. A, and Co. C.

Founder's Day found the Battalion in close-order drill displaying its fine military qualities. The Flyer Platoon commanded by John D'Alessandro thrilled Alumni and guests with an outstanding performance. With "Officers Center", the battalion was commended by the distinguished guests of honor for a job well done.

On June 13, competitive drill brought to an end the Friday afternoon drills for the school year 1937-38. We sincerely wish to thank Colonel Hamilton for working so hard to make the Battalion the fine organization that it is.

CONCERT BAND

Members in "1956"

First Row: Ronczka, Wybranski, Becker, Nelson, Stone
 Second Row: Corridoni, Schoffstall, Miller, Taylor
 Third Row: Walendziewicz, Breault, Costello, Pearson

It will be no easy task for the future Concert Band of Girard to surpass the record established by our band under the leadership of Captain Ralph Becker. The Concert Band of '56 has left us something to be proud of. They have left a good impression.

The memorable music of the Christmas Concert will live in our hearts and minds forever. The resounding notes of "Sleigh Ride" drifting over the chapel at Christmas time, the inspiration of "Washington Post" and "Sem, er Fools" over the drill field, the popular music of the Saturday morning quartets, the band sounding off the pass in review, our national anthem--these are the memories of the Concert Band that the Class will carry with them after graduation.

The band, however, could not have been a success without the capable and experienced hand of our good director, Mr. Robert Morrison. We are all deeply grateful to him for all he did to make it a success. The officers chosen to lead the band in the school year '55 and '56 were elected with great care and consideration. They were Captain Ralph Becker, first lieutenants, Frank Pearson and Harry Taylor, second lieutenants, William Stone, Bruce Nelson, Mark Miller, and Peter Costello. The drill sergeant was Peter Corridoni; the drum sergeant, Ted Breault. The remaining sergeants were Joe Ronczka, Gene Walendziewicz, Allan Schoffstall, and Stan Wybranski. To these officers goes the credit for a job well done.

SWING BAND

Costello, Pearson, Becker, Breault, Nelson, Miller

The Class of '56 will never cease to marvel at its Swing Band. The "Serenaders" gave one great performance after another until they climbed to the top of the swing band history here. The Swing Band was led by the "King of Music," Pete Costello. Pete was elected to his job in May, 1955 and he led his organization from the bottom to the top on a trail of musical glory. Pete wasn't just satisfied with a regular dance band; he searched and experimented with music and arrangements until he found the right effects.

Pete covered the bass spot in the band with Ted Breault on the drums. Mark Miller, Bruce Nelson, Ray Becker, and Frank Pearson played the melodic notes of the saxophone section. Not to be overlooked were the capable manager of the band, Bernard Pudmott and Bob Wiggins. The vocalist was Bill Darling.

A special feature of the Swing Band was the quintet of progressive-jazz musicians. It featured Ray Becker, Mark Miller, Pete Costello, Frank Pearson and Ted Breault. When intermission appeared at the "Hum" dances, the quintet took the floor to give a jam session that never will be forgotten. The quintet captured the student body at the Revue with great favorites like the "Saints," their own rendition of Bach's "Fugue," and "Christopher Columbus." The quintet contributed to the reputation and accomplishments of the Swing band. We will predate all they did to make the "Serenaders" a success.

The "Serenaders" gave so many wonderful performances that we will remember their music years after graduation. Remember the Senior class dances and Officers' Hops? Remember the favorites like "Intermission Riff," "Saint Louis Blues," and "Joshua"? This is the music that will ring in our ears for years to come. It will echo through the ballroom of Founder's Hall long after we have left. Our class is proud of them all. Thanks a million, "Serenaders," and all success and good luck be yours after graduation. We'll not forget you.

W. G. C. PROGRAM

First Row: Pelagatti, Zimring, Darling, Newton, Anton, Smeader, Sheitelman

Second Row: Pearson, Roach, McCabe

Third Row: Schöffstall, Wiggins, Havira, Flanagan, Miller, Bertino, Smyth, Holzinger

Fourth Row: Walendziewicz, Stalford, Batalsky, York, McGhee

To the tune of "Jumpin' Trumpet," the W. G. C. theme song, the student radio program was brought to the High School each week. Broadcasting from the backstage of the high school auditorium from 8:30 to 9:45 A.M. on Monday mornings, W. G. C. gave all the up-to-date sports and campus news. Here the "Hero of the Week" was crowned for his glorious deed performed in the service of his fellow "hummers," and the Student Center offered its specials to its patrons. The news, always the latest, the records the newest, and the jokes the oldest. The weekly broadcast was looked forward to by all.

W. G. C. could not have been the success it was without its hard working staff of writers and announcers. At the head of the writing staff was Tom McCabe, along with Pelagatti, York, Smeader, McGhee, Holzinger, Bertino, Smyth, Zimring, Miller, Newton, Schöffstall, Walendziewicz, Batalsky, Sheitelman, and Malumjahr. The announcing staff was headed by Bob Roach with Melvin Havira, Darling, Pearson, Flanagan, Taylor, Anton, and Stalford assisting.

The Class of '56 is extremely proud of W. G. C. and its accomplishments. We feel that this was the most successful year the program has had since its organization. Our appreciation goes especially to Mr. Henry V. Andrews, the faculty sponsor, and to the W. G. C. staff for the fine job that they did.

NATIONAL HONOR SOCIETY

First Row: Bralcyk, Roach, Walendziewicz, McCabe

Second Row: Price, Batalsky, Lydic, Sheitelman

Third Row: Chadwick, Briggs, Pearson

Fourth Row: McGhee, Anton

The National Honor Society consists of students in the secondary schools of the United States who possess the highest qualities of scholarship, leadership, character, and service. In the Girard Chapter thirteen members of our class qualified to maintain the high standards of this society.

In our Junior year seven of our classmates were recognized by the preceding seniors. The inductions there brought in Tony Bralczyk, Kent Lusk, Tom McCabe, Harry Price, Bob Roach, Lou Sheitelman, and Gene Walendziewicz.

In the following semester, after weeks of concurring, six new names were entered. They were Howard Anton, Jerome Batalsky, William Briggs, Richard Chadwick, Dan McGhee, and Frank Pearson.

Under the sponsorship of the popular Dr. Wolf officers were elected during both the fall term and the spring term. Bob Roach and Richard Chadwick became acting presidents while Tony Bralczyk held the vice-president's position during both terms. The secretary's job went to Gene Walendziewicz and Frank Pearson.

To the members of the N. H. S. we tip our hats for they will be the leading citizens in their communities as they were here in Girard.

RIFLE CLUB

Mr. Conklin

Second Row: Krachman, Roschak, Wybranski, B. Lewis,
Smyth, Malumphy

The Rifle Club, a new organization in the College, has been in existence about five years. Striving to hit a "Bull" at fifty feet, its members combine a sharp eye with precise co-ordination.

Under the capable sponsorship of Mr. Howard Conklin, the Rifle Club held its practices in the Armory. Although they had only a short time to practice, they won their meet with the Haverford School.

Special thanks go to its sponsor, Mr. Conklin, who has built up a valuable and interesting club here.

PHOTOGRAPHY CLUB

Krachman, Smeader, Smyth, Pearson

The Photography Club works tirelessly toward the betterment of our school publications with "best in the year" photos. In addition, the members are kept busy with the great demand and pressure of seniors wanting their films developed.

Howard Krachman is the photographer for the "Corinthian." We wish to express our thanks for his hard work and fine pictures. Bill Smeader is "The News" photographer. He also works very hard to have "news" ready for "The News." Frank Pearson generally helps Bill and Howie with their work but is doing his own job. John Smyth is also a member of the club under the sponsorship of Mr. Robert Gleason.

A great student-body leader and a pillar in many extra-curricular activities, Girard will miss Tony. His wonderful personality, his interests in his class, and his friendliness to all made him respected by the faculty and students alike. So long, Tony; the class will never forget you.

Dear Fellow Girardians:

Today marks the conclusion of my duties as President of the Student Body. Leading a student group is not an easy job, as many of you well realize. Through your individual support and confidence, however, many of our difficult problems were solved to the satisfaction of the students.

A new Student Body President has already taken office. The burden of student government does not fall on him alone; it falls on each and every one of you. As students, student government is as much your job as it is his; he alone can not overcome the many difficulties that will arise. He needs the faith and confidence of the boys who elected him to office to enable him to perform his job well. Without such important assistance he can hardly be expected to do the required job.

As undergraduates you will also be faced with the task of upholding Girard's high standards. The thousands of graduates who have gone before you have established a standard of education that is desired by many other high schools in the United States. The excellent reputation of Girard College goes before its graduates; it's up to you to see that Girard keeps that reputation. Girard College is a great school; its students make it great.

Now, at graduation, we are facing the golden door—the door to opportunity. And we know, deep in our hearts, just as you will know, that Girard has given us the material to mold its golden key.

Sincerely yours,

Anthony L. Bralczyk

Bob, with his jovial personality and good-natured sense of humor, has been and always will be regarded in high esteem. A capable leader, he has filled his position with utmost efficiency. We sincerely hope that his future will be one of happiness and success. Farewell, Bob! May God bless you always.

Dear Classmates,

For ten years we have lived here together at Girard. During that time we have absorbed a fine education and the best principles of right manhood.

We have completed our preliminary training and we now stand on the threshold of adult life. Perhaps the toughest years of manhood are the ones we now face—the first few. In these years we will make many decisions, decisions which were previously made by teachers or instructors. These decisions soon fall into habits and the habits represent principles. If we are to select sound principles for our later life we must make sound decisions in our younger life.

As we go forth into life we leave behind our teachers, housemasters, and friends. But in a sense we can never leave Girard behind with its good name.

No matter where we are or what we are doing, we are a product of this college. It is our obligation to convince everyone with whom we come in contact that the product of Girard is mature in every sense of the word.

Before we depart, let us pause and thank the entire staff of Girard College, thank them for instilling in our minds the purest principles of morality. I would like also to express my sincere thanks to you, the class, for selecting me to serve you in the position of president. God bless and keep you always.

Sincerely yours,

Robert Melvin

Socials

Left to Right: Mr. Wileman, Mrs. Wileman, Mrs. Hartman, Mrs. Bradley, Mr. Bradley, Miss Knapp
Joan Kimmel, Bob Melvin

In preparation for our social life, dancing instructions in the small gymnasium first put the Class of '56 diligently in step.

After eight weeks of "slide, close, slide" and "clicky, clicky, one," we were ready to demonstrate our skill at our first coke party. Everyone agreed that it was fun and that we should have another. At our second party we found that we had gone far in overcoming clumsy feet.

Our afternoon parties soon became evenings of fun and frolic when we had our first Junior Dance on November 5, 1954. After that it was easy. Soon we approached our February fourth dance with confidence, and we were sorry when our Junior social life came to a close with the completion of our June third dance.

September 30, 1955 found us stepping out to our first Senior Dance. With great anticipation our second Senior Dance came on February third.

Scattered in and about our class dances were the Canteen, Swing Band, and Cadet Officers' Hops. These delighted everyone because the Seniors and Juniors got acquainted on the dance floor.

Now, as we approach our Commencement Dance, we would like to extend our sincere thanks to our hosts and hostesses, Mr. and Mrs. Wileman, Mr. and Mrs. Bradley, and Mrs. Hartman. Deep gratitude goes to Miss McGhee for her sincere interest and tireless efforts in making our dances the success that they were.

Miss Miriam McGhee
Director of Social Instruction

SOCER

First Row: Pelagatti, Silvano, Boell, Harbison, Fritz, Pustilnick

Second Row: Hodgson, Smith, Taylor, Houghton, Flanagan, Lawson, Newlin, Steinhoff, Stalford Wood, Shelesky, Johnson, Worrell

Our victories came against opposition such as Frankford, West Chester, Reading, Westtown, and Swarthmore high schools and the Junior Varsity of the University of Pennsylvania. The rival game with Northeast was played for once on our home field, a large crowd viewed one of the best high school games of the year. The only score that could do justice to the teams that played that day was a 0-0 tie. It was that score that honored the effort of the two teams. Another scoreless tie was recorded after two extra periods of play with the "Plebes" of Annapolis. The one game lost was the one viewed annually by our student body on our opponents' field. In this game North Catholic scored the winning goal in the final seconds to break the 1-1 tie. One of the highlights of the year came when we punished Upper Darby 3-0, on the following day they became PIAA Soccer Champs.

Offensively we scored 33 goals in 13 games, an average of slightly over two and a half goals per game. The three linemen whose combined scoring included more than half of the goals were Jerry Lawson, Bill Stalford, and Harry Johnson. There were nine others who scored and showed the depth of the line. "Reds" Boell, co-captain, Joe Flanagan, Nick Silvano, George Steinhoff, Gene Buck and Cliff Crosbee combined their goals to make our line a dangerous offensive attack.

In the back field we had one of the best bulwarks of defeats the College has ever had. The four goals that were scored upon us averaged less than one-third goal per game. Half of our defenders attained a position on one of our city's honored teams. In the halfback positions were Ray Shelesky, Martin Pustilnick, John Smith, Ed Fritz, Joe Mancuso and our other co-captain, Bob Harbison. Playing behind the halfbacks in the two fullback positions were Rich Houghton and Fred Wood; these boys deflected many an offensive threat. Tim Worrell and Gary Hodgson topped off the sterling defense in the vital position of goaltender.

On the All-Scholastic and All-Independent teams chosen to honor the year's outstanding performers, we had four members. Fred Wood, was first-string All-Scholastic with Harry Johnson and Tim Worrell following on the second squad. On the All-Independent team were Bob Harbison and the three mentioned above.

BASEBALL

First Row: Mr. Hartman, Crosbee, Gruerio, Skojec, Evans, Wood, Johnson, Flanagan
Second Row: Havira, Shelesky, Hodgson, Malumphy, Lawson, Worrell, Wybranski, West, Stalford

The baseball team of 1956 was composed of almost all the lettermen of the previous year; a squad that finished with a 5-5 record. Old blood in the line-up along with a new coaching staff of Mr. Hartman and Mr. Cooper were the chief factors in this year's successful campaign.

In the batting order, Harry Johnson, Joe Flanagan, Bill Stalford, Gary Hodgson, and Tim Worrell led the offense with batting averages all over .300.

On the defensive side both the infield and outfield were complimented again and again by the opposition for their fine fielding and ball hawking. Fred Wood captained the team and led the superb infield net of Tim Worrell, Harry Johnson, Joe Flanagan, Jerry Lawson, Stan Wybranski, Bill Skojec, and Don Koltiska to a highly successful season. The fleetness of Ray Shelesky, Bill Stalford, Nelson West, Carl Havira, and Ed Malumphy caused many to call this year's outfield the best we've had for some time.

A pitching staff of only three members would be the downfall of many teams but not with our varsity hurlers. Cliff Crosbee, Gary Hodgson, and Dick Zenda retired many a side in relief and held the opposition to innumerable hitless innings.

Not only will graduation be a sad day for the Seniors, but also for the baseball team, for they lose 12 of their 14 lettermen. However big the loss may be, Mr. Hartman and Mr. Cooper will again drive through with another fine year that will be typical of Girard baseball teams.

SWIMMING

First Row: Cunningham, Lally, Hansen, Angell, Barrett, Davis, Keiser

Second Row: Hartman, Krachman, Long, Havira, R. Roach, Boell, Batalsky, J. Roach

Third Row: Mr. Jones, York, Crane, Tevin, Pelagatti, Lewis, Nelson, Wherry

The '56 tankmen proved they had record-breaking in their blood. Guided by Carl Havira, captain, and Bob Roach, co-captain, they smashed seven records. Carl had a hand in breaking four records and Bob three.

The real power of the team came in its size. The Seniors contributed thirteen "fish" to its number. Strong in every event, the team grabbed eight wins in eleven tries. Proudly we point at the claim they hold to fourth place in Pennsylvania, which they secured after edging out the traditional rival, Allentown, for the first time in the last decade. To begin a new relationship, Bainbridge barely fell at our hands. Among the other opponents to drop meets to the mermen were Northeast, Merchantville, Reading, George School, Westtown and Germantown Academy.

The first of the marks to fall was the 150 medley with Carl Havira breezing through in 1:47.7. Not leaving well enough alone, he brought it down to 1:47.6, 1:47.5, and 1:47.3. Bob Roach had the 100 freestyle record, 55.9, and followed up by bolstering the 200 freestyle relay team. The rest of the relay team, Boell, as well as Juniors Hansen and Hartman, forced the record down to a blazing 1:41.0. In a new event, the 200 medley team of J. Roach, Pelagatti, Krachman, and Havira set a respectable mark of 2:03.7.

Producing the body and experience to guide the team to such an effective season were Nelson and York, the capable divers; Long, backstroker; Crane, Lewis, and Corbin. Doubling as Junior Varsity coaches were Bill Tevin and Jerry Batalsky.

Nothing should be said about the team without a word of praise for Coach Jones. The experience he gained with a previous Girard team was aptly applied to the tankmen. We join the coach in saying good-bye to a bunch of strong athletes and to one of the greatest swimming teams that ever hit the pool.

TRACK

First Row: Hansen, Stidham, Cusatis, Pharo, Castle, Blizzard

Second Row: Young (Mgr.), Fritz, Pelagatti, Perazelli, Hartman, Schley, Wood, Johnson, Buck, Woomer, Walker, Erario

Third Row: Mr. Bradley, Lydic, Steinhoff, Newlin, Wiggins, Jones, Morgan, Darling, Chadwick, Briggs, Wehrung, York, Pearson, Zimring

With the dawning of March and the completion of winter sports, the '56 track try-outs and pre season warm-ups began. The most many could boast of in these early practices were fatigue and sore muscles. Soon the kinks left and we were in reasonable shape to enter our first meet.

While the stopwatches were clicked and tapes were stretched, an assortment of good times and distances appeared.

Kent Lydic and George Steinhoff were elected captain and co-captain respectively.

Kent, living up to all expectations, came through with a fine exhibition. He and Gus Pelagatti were responsible for many of the places we got in the sprinting events. Gus also contributed thoroughly in the low hurdles. George Steinhoff showed us his stuff in the 220-yard dash, but mainly in the 440 a grueling run for anyone. In another difficult event, the high hurdles, Bob Newlin excelled.

When the mass of half-milers crossed the finish line, Bob Wiggins always appeared with those in the lead. The "find of the year" was Frank Pearson, who, running the mile for the first season, always managed to come near the five-minute mark. Matching him stride for stride was Joe Morgan.

We were equally fortunate in the field events. Captain Kent Lydic led the team in both broad jump and the pole vault. For the second year in a row, Kent bettered the school record in the pole vault, clearing well over eleven feet. Putting the shot over 40 feet, Rich Chadwick and Fred Zimring combined form with force. Charlie Walker contributed a fine showing in the high-jump, continuously looming around the five-and-a-half-foot mark.

This successful season would never have been possible without the help of many under classmen, for instance, "Ace quarter miler" Bruce Perazelli, and sprinter Johnny Hansen. More than any other though, we owe a great deal of thanks to Coach Bradley for both his fine knowledge of the sport and his deep-rooted interest in all of us.

BASKETBALL

First Row: Wood, Lydic

Second Row: Guerio (Mngr.), Worrell, Hodgson, Witkowski, Shelesky

Third Row: Lawson, Vrable, Holzinger, Pearson, Koltiska, Mr. Zdanowicz

Recovering from opening heartbreakers, the 1965 basketball team regained its stride in the February campaign to establish the best record in ten years. The closing record of 10-4 can be traced back to teamwork, experience, and the superb coaching of Paul Zdanowicz.

The season began when several of the weaker opponents turned the tables into hair-raising one point upsets. By the end of January the 4-3 record dropped the optimism of the squad to a bitter determination. After the sole loss in February to Temple Prep, teams of all calibers were pushed out of the armory. Beginning with Church Farm and then in rapid succession Germantown Friends at the time 9-1, George School, Haverford, Central, one of the city's best teams, and finally West Town, the total of six straight victories were achieved. In the course of the season other notable teams were beaten: Penn Charter and Episcopal; the champion and co-champion of the Inter-Ac

To have an outstanding season, there must naturally be certain places where the team is outstanding. One of these was in rebounding. Fortunately we had four fellows: Jerry Lawson, Bob Holzinger, Kent Lydic, and Frank Pearson, who captured over 75 rebounds. Scoring honors followed the same pattern every game with Jerry Lawson on top followed by Ed Witkowski and Bob Holzinger. As an exception to most teams the defense is what broke most of the opponents. Harassing forwards such as Fred Wood, Ray Shelesky, Tim Worrell, Ed Witkowski, and Kent Lydic, backed up by the heights of Don Koltiska, "Chuck" Vrabel, Frank Pearson, Jerry Lawson, and Bob Holzinger forced the opposition to make their one shot count.

To the team of next year we leave a string of six victories, an excellent manager, Tony Gruerio and a collegiate coach, Paul Zdanowicz.

WRESTLING

First Row: Drasher, Dornbach, Aldinger, McDevitt, Senick

Second Row: Morgan, Craun, Wood

Third Row: Mr. Bradley, Abele, Zimring, Smeader, C. Brown, Di Batista

The Girard wrestling team, growing like a ween, has established a name as one of the most-feared, up-and-coming teams in our area. Evidence of the fact arose at the Episcopal Invitational Tournament, in which the number of points was over twice that of the previous year and the very strong and powerful Junior High team that turned out a "terrific" season. Under Mr. Bradley and the morale building of the captain Joe Morgan, the varsity squad once again came out with a winning record of 6-5.

The five big leaders in scoring for the year were Captain Joe Morgan and Girard Senick, each of whom had 33 points. Joe Morgan was the champion of the 127 lb. division the previous year, and Girard Senick is the only undefeated, untied, and present Episcopal Invitational Champion on the team. George Dornbach, then second place man in his division at the tournament, followed by leaders with 29 points. Behind them came McDevitt and "Chuck" Brown, two members who were consistent throughout the entire year. Behind these constant winners were Ed Craun and Fred Zimring, both of whom captured third place at the Invitational Tournament. Other members of the team who did not place in the tournament, but who turned in fine season records, were Bill Smeader, Carl Drasher, Bob Aldinger, Rocco DiBattista, Wilbur Abele, and Gene Buck.

The job of manager posed a big problem since this year's squad was so large but Glenn Ritchey and George Young did a very capable job in all phases of the position.

GYM

First Row: Long, Pudimott, Stott
Second Row: Erario, Moroz, Morrow, Steinhoff, Zenda, Stalford, McGhee

With the passing of every new year at Girard, words like, "semis," "stits," "planches," and "carems" became a little more familiar to us. Of course, these terms could have come from only one place—the gym. For the last four years our class has had heavy participation in this sport. Always ready to try a new trick, we learned fast and gained valuable experience. By the Junior year, we had eleven members on the team.

This large squad produced its share of stars. "Pais" Pudimott, the able captain, led the gymnasts on the mats; unexcelled tumbling routine dazzled all the spectators. On the horse and parallel bars, we had Rich Chadwick and George Steinhoff respectively. Don McGhee and Bill Stalford took most of the honors on the rings. To support these, we had Bill Moroz, Rich Houghton, Bob Newlin and Bill Wehrung.

The Class of 1957 helped us along with two good gymnasts, Dick Zenda and Pat Kerry. Dick helped us on all the pieces and Pat with excellent tumbling.

The '54-'55 season saw the gym team with a 3-2 record. With a tougher schedule in '55-'56 and some bad breaks the team still maintained wins over losses with a 5-4 record.

Some day, perhaps in the not-too-distant future, you will be reading one of these athletes' names in the sports section after he has won a gold medal in the Olympics. We expect just that.

YALE TROPHY WINNERS, '56
Richner, Taylor, Vanderaar

Again Mr. Rothberg's team of talented fencers accomplished a successful season in their climb to the Yale Trophy, Pennsylvania's equivalent of the state championship. The trophy and final record of 6-1 climaxed Captain Harry Taylor's and Ben Richner's magnificent performances for Girard. The combined record of the two state champions is 46-6 with the losses coming from college competition only. Supporting help was given by Wayne Vanderaar, the third state champion, Al Markauskas, "Chuck" Finn, John Colland, John DeCamera, and the very capable manager Jim Heaney.

For two years in succession the Class of '56 has taken the intramural soccer championship. J-1 got the "bacon" in '54; then S-1, with almost exactly the same team captured the title for the '55 season.

Firing the ball at the opponents' goal were Carl "Ace" Havira, Bob Roach, Frank Pearson, Richard Chadwick, Tony Bralcyk, and Jack Smyth. Playing the middle of the field were Bob Holzinger, Stan Wybranski, and Al Schoffstall.

Our defense was composed of Bill Briggs and Don McGhee, fullbacks, and that renowned goaltender, Captain Ralph Becker, guarding our goal.

The peak of the '55 season came when the redoubtable "Black Knights" were challenged by the Junior Varsity team. Rich Chadwick dented their net with a hard left drive, but shortly after that they retaliated. "Ace" Havira made the next scoring drive. At the end of the last quarter the "Black Knights" were victors again.

The final whistle of the play-off game found the S-2 team the Intramural Basketball Champions for the 1955-56 season. They claimed this victory over the S-3 team with a final score of 48-30.

The team consisted of center C. Walker, guards Gary Hodgson and Joe Flanagan, and forwards Ronczka, Darling, and Shiels. Bill Wehrung and Bob Newlin played several times also. The team played fast and fair throughout the season, with C. Walker, Gary Hodgson, and Joe Flanagan the average high-scorers respectively.
